

School Counseling

Recommended Courses for HDFS Majors

HDFS students planning to apply to a school counseling program after earning their B.S. in HDFS should elect the Child and Adolescent Development concentration. They should also study the entry requirements of a range of graduate programs and complete elective courses that will meet those requirements and enhance their professional skills. The following courses can help you prepare for a graduate program in school psychology:

PSYC 201	Social Psychology
PSYC 238	Abnormal Psychology
PSYC 250	Psychology of Personality
CHLH 206	Human Sexuality
CHLH 243	Drug Use & Abuse
EPS 201	Foundations of Education
EPSY 201	Educational Psychology
EPSY 220	Career Theory and Practice
SPED 117	The Culture of Disability

Sample Four-Year Plan for Child & Adolescent Development Concentration

[for students starting the HDFS major in or after Fall 2015]

The four-year plan below shows how to prepare for entering a graduate program in school counseling while meeting graduation requirements in the HDFS child and adolescent development concentration. Use this plan only as a guide. Consult your academic advisor for suggestions for open electives suited for your career plans, and as you develop, modify and move through your own plan.
